Dennis Baker

A New Board Member

What a great evening we had honoring Ethan Roberts. He is certainly worthy! I mentioned in the last newsletter that I first met Ethan at the National Association of Christian Camps Retreat. Another man I met there is Dennis Baker and Dennis is now our newest board member.

Dennis has a special place in his heart for Christian Camps due to his many years of experience working as a youth minister which included 27 years as a camp counselor and camp director. He also served on the Board of Delano Bay Christian Camp in Lakebay, Washington. Dennis and his wife Lanita have been serving with the Mt. Vernon church of Christ in Prescott since September 2019. They have three adult children who live in Prescott Valley. They and the Mt. Vernon church are directing and staffing one whole week of summer camp. Please welcome Dennis to the Board.

Caretakers' Corner

We have had a busy camp season which has continued over the past couple of months. We had a small group this past weekend but not expecting any other groups until April; however Perry continues to get calls inquiring about availability. Sunday we had a couple of ladies come up from the valley to visit and tour the camp. They are very involved in organizations involving the Deaf community. They loved our camp and are working with Bert to book the camp.

As I have been reporting, we have had a lot of snow and freezing weather. It has been in the single digits in the early mornings. We are expecting more snow this week. Kevin has been busy keeping the roads clear for the campers as well as having accessibility for service and delivery vehicles. Of course we are always busy keeping the buildings maintained and winterized.

Please keep Copper Basin Bible Camp in your prayers for a successful year.

Best wishes and Happy New Year from your camp caretakers.

Summer Camp 2023

“Exhibit A”

In just three short months we'll be starting up this year's summer camps! It is amazing how fast time goes by. This year, Alex Bigham has come up with a fantastic theme “Exhibit A”.

We are the best evidence for Christ - His love, His Mercy, His Grace, His Righteousness. The way we speak, act, interact with others is the best representation of authentic Christianity. I am Exhibit A. In a court of law, an attorney presents evidence to prove a case, often in the form of Exhibits. These Exhibits may be pictures, affidavits, eyewitness accounts, video, or some other evidence to prove a case. The way we live our lives can be the best evidence of our Christianity and can have an extremely positive influence on those around us. Conversely, those who claim to be Christian, but fail to lead their lives as an authentic Christian example can have a negative influence on the opinion of those around us concerning Christ. I am Exhibit A.

-Alex Bigham

The directors are all set, and counselors are coming in. We have a few spots left, so if you're interested, please contact us and let us know! We are also looking for medical aides to cover different weeks for the summer.
